

# Direct Private Mental Health Admissions

Abbotsford Private Hospital works in partnership with General Practitioners and key service providers to provide treatment for people suffering with addictive disorders and other mental health concerns that often go hand-in-hand. If you need assistance with managing your patients' mental health concerns, allow us to help you by following the admissions process outlined below.

**1** Patient needs a specialist mental health admission

**2** Patient has either Private Health Insurance, Work Cover or the ability to self fund their admission

**3** Call our Admissions and Assessment Team on **0430 709 459** or submit referral via [abbotsfordhospital.com.au](http://abbotsfordhospital.com.au)

**4** We will confirm the outcome of health fund eligibility check and any out-of-pocket expenses

**5** Same day, we will confirm admission arrangements and allocate a Psychiatrist
